ST. COLUMBA'S HAS GOT TALENT:

Our monthly Coffee morning takes place after Mass today. Every month we are going to encourage children to come along to try the different activities we have to offer and meet other children, whether it will be making a craft item, decorating cupcakes or learning a new skill. It's going to be so exciting, so children please ask your parents if you can partake in this new venture and bring them along for light refreshments this Sunday. During our first session we are going to be decorating cupcakes, we may even have our very own Delia Smith in the congregation!!!!!! We look forward to seeing as many children and families as possible. ALSO if any family has a Christening in Church and would like us to organise light refreshments for you, please do not hesitate to get in touch.
