SVP LEEDS have recently welcomed two volunteer handymen and a cleaner to their team. One of them, Amir, is a lovely Iranian gentleman who has been supported by the immigration team. He's a qualified tradesman, very capable, and eager to give back to the community. However, they're currently short on tools and have limited income. The SVP have a long list of jobs (as you can imagine!), and while they can purchase some basics, they would be very grateful if you could donate any unused items you might have—or perhaps tools you're thinking of upgrading around Christmas. You can find a list of tools they need the porch. Thanks, as always, for your help.
