St Columba's Lighting Works.

For many years the Church Hall Restoration Group have been busy raising funds to help with the restoration of St Columba's Church. In recent years they have assisted in a number of projects and now sufficient funds are in place that the diocese has given permission for the lighting phase of the project to take place (at a cost of £36,000.00). We have also received news that the Benefact Trust has made a grant of £5,490.000 towards the cost of the works and would like to express our gratitude to the Trust. and Work is expected to begin on 20th April and is expected to take three weeks.
